AGM

GENERAL MEETING 2007

Dear members,

A General Meeting for the Karpathian Progressive Association of Australia in accordance with Article 26 of the constitution is due **July** this year.

AGENDA

- President's report.
- Treasurer's report
- Future of the Association – Active participation from members - New committee members required
- 50th Anniversary 2009 – New committee to plan and organise.
- Karpathian Association Web page (update)
- General discussion (approx 30 minutes)
- Election of 'Eforeftiki' Committee (scrutineering committee)
- General Elections (only financial members have the right to vote)

It has become apparent that a considerable number of association members including a committee member will be overseas during this period; as such due to these circumstances it would be reasonable to postpone this **AGM to 9th September at the Hellenic Club**. This postponement will facilitate a larger attendance and hopefully new committee members. An AGM notice will be dispatched closer to the scheduled date.

Should you have any concerns regarding the postponement of the AGM, please feel free to contact the committee to discuss this issue.

The Karpathian Progressive Association's primary goal is to serve the community it represents. To maintain and effectively achieve this goal your presence at the General Meeting is strongly requested. Become an active member seriously consider joining the committee.
