We wish to advise you that the new committee members of the Karpathian Progressive Association of Australia were elected on the 7th Nov 2005 and the new executive Officers were elected on the 15th Nov 2005 by secret ballot. Persons elected to office are as follows:

President: **Mr John Mantinaos**
Vice president: **Mr Soc Kochinos**
Secretary: **Mr Mano Constantine**
Treasurer: **Ms Asta Passaris**
Committee members: **Mr Harry Hadzandonis, Mr Kosti Stavrakis and Ms Maria Eckhardt**

With the elections over and the start of a new term, the committee would like to invite all children of financial members together with their families to the:

CHILDREN'S CHRISTMAS PARTY.

Venue: **DICKSON AQUATIC SWIMMING CENTRE,**
Cowper street Dickson ACT
18th December 2005, 12 noon to 3pm

The party to commence at 12 Noon and run onto approximately 3pm. Hot dogs and drinks for all will be provided. **Santa Claus** will be arriving later on to hand out presents. Although swimming is a fun activity, parents are responsible for the supervision of their own children. Children are reminded to be sun smart, don't forget to **Slip Slop Slap**. Christmas party to go ahead rain, hail or shine, as there is shelter available.

Entry to the swimming pool for children and accompanying parents is Free, please advise the pool attendant the nature of your attendance on entry.

To maintain the associations' resourcefulness, your continued support and participation is encouraged. For those who haven't renewed their memberships for 2005-2006, you may do so at the Christmas party. The annual membership fee is \$20 for families and \$10 for adult single (18 yrs+). Past members are encouraged to rejoin the association; to encourage past members we currently have a waiver on past dues.

We would like to take this opportunity on behalf of the committee to wish you all a Merry Christmas and a healthy and prosperous New Year.

Proposed dates for upcoming events:

Annual BBQ 2006	Sunday 26th February 2006
Fishing Competition 2006	17th - 19th February 2006
