Membership renewals

We wish to advise you that membership renewal for the Karpathian Progressive Association of Australia for 2006-2007 is now due. The annual membership fee is \$30 for families and \$15 for singles (18 yrs+). Members at our last AGM passed this increase in membership fee as well as a waiver on past dues from individuals wishing to rejoin after an extended period of non-financial membership.

The Karpathian Progressive Association of Australia works in co-operation with all Greek organisations for the promotion and the preservation of the Greek culture and to serve the community it represents. To facilitate this function and maintain its resourcefulness, your continued support is essential.

The current committee members were elected into the association in November 2005, the term will run for two years. Regrettably we wish to advise you, due to family commitments, two committee members have rendered their resignations. As the next elections are due in July 2007, to expedite the process of filling the vacancies we are looking for voluntary nominations to join the committee. If you are considering volunteering, please lodge your interest with any committee member ASAP.

In aid to refresh your memory of the current committee members:

Secretary: Mr Mano Constantine

Treasurer: Ms Asta Passaris
